Report for presentation to the Houses of the Oireachtas

Oifig Choimisinéir na dTeangacha Oifigiúla

I have audited the financial statements of Oifig Choimisinéir na dTeangacha Oifigiúla for the year ended 31 December 2010 under the Official Languages Act 2003. The financial statements, which have been prepared under the accounting policies set out therein, comprise the Statement of Accounting Policies, Income and Expenditure Account, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and Generally Accepted Accounting Practice in Ireland.

Responsibilities of the Commissioner

The Commissioner is responsible for the preparation of the financial statements, for ensuring that they give a true and fair view of the state of affairs of Oifig Choimisinéir na dTeangacha Oifigiúla and of its income and expenditure, and for ensuring the regularity of transactions.

Responsibilities of the Comptroller and Auditor General

My responsibility is to audit the financial statements and report on them in accordance with applicable law.

My audit is conducted by reference to the special considerations which attach to State bodies in relation to their management and operation.

My audit is carried out in accordance with the International Standards on Auditing (UK and Ireland). These standards require me to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of Audit of the Financial Statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements, sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of

- whether the accounting policies are appropriate to the circumstances of Oifig Choimisinéir na dTeangacha Oifigiúla, and have been consistently applied and adequately disclosed
- the reasonableness of significant accounting estimates made in the preparation of the financial statements, and

- the overall presentation of the financial statements. I also seek to obtain evidence about the regularity of financial transactions in the course of audit.

Opinion on the Financial Statements

In my opinion, the financial statements, which have been properly prepared in accordance with Generally Accepted Accounting Practice in Ireland, give a true and fair view of the state affairs of Oifig Choimisinéir na dTeangacha Oifigiúla at 31 December 2010 and of its income and expenditure for the year then ended.

In my opinion, proper books of account have been kept by Oifig Choimisinéir na dTeangacha Oifigiúla. The financial statements are in agreement with the books of account.

Matters on Which I am Required to Report by Exception

I report by exception if

- I have not received all the information and explanations I required for my audit, or
- there was any material instance where moneys have not been applied for the purposes intended or where the transactions did not conform to the authorities governing them, or
- the Statement on Internal Financial Control does not reflect the Commissioner's compliance with the Code of Practice for the Governance of State Bodies, or
- I find there are other material matters relating to the manner in which public business has been conducted.

I have nothing to report in regard to those matters upon which reporting is by exception.

Statement on Internal Financial Controls

Responsibility for the System of Internal Financial Controls

Oifig Choimisinéir na dTeangacha Oifigiúla is a small office in one unit. A staff complement of nine is sanctioned for the Office including An Coimisinéir Teanga and eight civil servants. There were three staff vacancies at the end of 2010. The responsibility for ensuring that an effective system of internal controls is maintained and operated falls to myself, as An Coimisinéir Teanga.

The system can only provide reasonable and not absolute assurance that assets are safeguarded, transactions authorised and properly recorded, and that material errors or irregularities are either prevented or would be detected in a timely period.

The staff of this Office and I have taken steps to ensure that an effective system is in place, by implementing a system of internal control based on information being supplied to management, administrative procedures including segregation of duties, and a system of delegation and responsibility.

This includes:

- Annual and quarterly estimates which specify the supply needed for the coming period.
- Regular reporting to the Department of Community, Rural & Gaeltacht Affairs including reports on expenditure to date when a drawdown to our current account in the bank is required. Comparisons are made at this time between estimated and actual expenditure.

Internal audit services are provided on a contract basis by a chartered accountant. An internal audit took place during 2010. This Office has also put in place an Audit Committee, consisting of the Office Director and two external members.

I confirm that I reviewed the Office's system of internal financial controls during the year 2010.
